**T**he Moose will be loose for a few more years in NASCAR. Moose Fraternity, Ross Chastain and Trackhouse Racing today announced the trio will continue their partnership through the 2026 and 2027 NASCAR Cup Series seasons on the team's No. 1 Chevrolet with Chastain behind the wheel.

It will mark the seventh and eighth Cup Series seasons the fraternal organization has paired with Chastain on the track while using the 32-year-old, Alva, Florida native in membership and charity initiatives away from the track.

"The Moose Fraternity has been with me at racetracks and taken me to lodges across the country. They are salt of the earth, good people who I have watched give back to the community," said Chastain.

**Sponsor 25 Members** Members attaining Sponsors of Distinction status by sponsoring 25 members during the **MOVING FORWARD, GIVING BACK** membership drive will receive free basic registration for our 2026 International Moose Convention in Oklahoma City, OK. ## Moose Legion

Hello Brother Moose Legionaries,

I hope all is well with you and your family. Thank you to all of you for your support of Legion and lodge events. The Legion this past two months has had two events that were very successful. In September we had the Hawaiian Dinner and Dance. There was good food, prizes and dancing and a lot of fun. Also in October we had a miniature golf tournament at Golf Land USA in Sunnyvale. We started out the day with donuts and coffee then moved to the golf course and divided up in five teams. It was a beautiful day and we had a lot of fun. Afterwards we went back to the lodge for pizza and beverages to watch football and Nascar racing.

Watch for future announcements here, and we will look forward to seeing you at our events.

Fraternally,

Leonard Vyfvinkel

## Administrator

Sunnyvale members,

**T**his is the last article I will write for the newsletter. The position of Administrator is now vacant. The Lodge still needs a volunteer Administrator to take the reins and help lead the Lodge to the next milestone in our existence. A lot has been accomplished since our start and let's keep it going. See a member of the Board to find out more about the position.

Our Active membership stands at 453. We are still sponsoring members, but can do more to increase our membership. Sign up a friend, family member or acquaintance to our lodge.

The membership promotion of pay 3 years, get the 4th year free is still be promoted. Also, pay for a life membership in the Lodge and the Lodge portion will be returned to you so a life membership only costs you half. What a deal that is!

Fraternally,

Perry Lee James  
Acting Administrator

## **Veteran's Corner**

**Y**our Veterans Day Patriotic Program will be co-hosted by our Sunnyvale Moose Lodge Big Band Orchestra, Friday, Nov 14th at 7:30 PM. Arrive early to ensure parking.

A Chicken Parmesan meal (\$12) will be served. RSVP required, via TEXT ONLY, to 408-373-7444. Enjoy fellowship, food & drink prior to our inspiring 7:30 PM expanded patriotic ceremony, inclusive of a color guard of real American Legion Post 858 Veterans and a double-duty Scouting, highly talented high school bugler.

Your Volunteers will present a Program of Bugler calls, musical & vocal solos, inspiring poems, and audience participation in a Patriotic song. We are actively seeking new Veteran participation in our Honor Guard, 21 "Gun" salute portion of the program (7 slots to fill). Please contact me to volunteer.

The Moose Big Band Music and dancing will follow from 8:00 till 10:00 PM.

One of our Valued Veterans shared with me the following (found on the wall of one of our Moose Lodges near our MooseHeart Village in Illinois), and I paraphrase:

"In our recorded history, only two entities have died to secure True Freedom for Humanity: Jesus Christ and the American Soldier."

Come one, come all, for an inspiring night on Nov 14th, celebrating our Nation's Heritage and Honoring all our Veterans, especially our local Valued Veterans on our Wall of Honor, where 2 new Veteran Nameplates will be added.

Fraternally,

Bob (aka "Cowboy Pete") Peterson

has a name and a story, and every story matters to God." Due to the shortage of homes, children are often placed outside of their community and moved around multiple times. "Foster the City works to surround foster families with a team of Support Friends. It can be buying them clothing, and going grocery shopping with them," she told me. "One of my goals in life, I always wanted to be a social worker. Obviously, I chose a different life path, but this is definitely where my heart is."

As I found out more about Tammy, here was another surprise. She is also "Membership Orientation" for Polka Dot Powerhouse. Their motto is "Changing the world by connecting the dots." As she explains, "It's a world-wide community of positive purpose-driven women, at every stage of their life, and where every woman is seen, valued, and celebrated (polkadotpowerhouse.com)."

But her "number one priority" is being a mom. Tammy has been a single parent since her daughter was 4. Her daughter, now a 22-year-old, is attending the University of Oregon and studying education. "Everything I do in life is all for my child, who is my world."

Let's thank Tammy for being part of our world too.

## Youth Awareness Program

Recently, high school students from several local high schools met at our lodge to learn more about the Moose Youth Awareness Scholarship Program. At the meeting, the students learned about the program requirements and received all the information needed to compete for top Moose scholarships up to \$12,000. Students choose their own motivational topics on subjects such as bullying, doing well in school, nutrition, saving our environment, or any topic that they feel is really essential for children to know. Then they give their brief talks to three or more groups of children and submit one report on their presentation.

Last spring, a Monterey student won first place in the nation! He and his family said that he wouldn't have been able to attend college without this scholarship.

Students must submit their reports by late December. Entries are judged and the top California students will get an all-expense-paid trip to Phoenix, AZ in April where students will speak to their peers about their "Kids Talk" and compete for \$12,000, \$8,000, \$6,000, \$5,000, and \$4,000 scholarships.

Do you have connections with children between the ages of 5 to 11?

Places are needed for high school students to speak to young children, and are an essential part of helping these students win big scholarships. This can be during school or at an after-school program of any kind. Example connections could be leaders of Scouts, athletic teams, birthday parties, religious groups, or any group of elementary age children. Please give us suggestions! Contact Kathy at 650-520-9004.

We wish this year's students all the best.

Kathy Childs

## President's Message

Members,

**A**s we head into holiday season, we have many things to be thankful for. We have a beautiful home now, with new furnishings. Most of our new furniture was procured by constant hard work by Phil and Julie Bond.

Many of the amenities we now enjoy are the result of constant meetings with our three trustees, Phil, Julie, Manny, and Past President Tommy, and Perry James, our current but soon departing Administrator.

As I write this I am a little bit sad and a little bit disappointed, if not just angry about the way this team has been treated. Very few people realize how much work went into getting YOU into this building. I have personally argued against the constant open door policy that is happening at almost every evening event.

We seem to forget that we are a Family Fraternity open only to members and their Qualified guests. Letting non-members walk freely in and enjoy what we, the membership pay yearly dues for puts us in jeopardy of being shut down. Hopefully this never happens, but if it does, we will have only ourselves to blame.

In closing I wish everyone well, and want to express my gratitude to our current leadership that worked tirelessly to make lemonade out of what started out to be a huge lemon.

It's also almost time to start thinking about your future board of officers, because I think it's time for new blood.

Faternally,

Eugene Bustichi

## MooseTracks...

Hello Moose Lodge. Today's topic: "Caring About Family and Beyond -- Tammy Lee Leonard."

**T**ammy has been a member since 2018. She first came to Sunnyvale Moose Lodge through her friendship with Ray Ortiz and Jane Zahorik. "I was coming to hang out with my friends, coming to see the TCB Band. Of course we can only come twice, and the third time we have to sign up as a member, right? Carol Bell sponsored me."

Tammy Leonard and  
daughter Abigail

She started coming to the Women of The Moose meetings and immediately got involved, serving as Junior Regent her first year. She then learned bartending, all for the Lodge. Currently she is serving as our WOTM Senior Regent.

"Carol and Charlie Bell were my Moose mom and my Moose dad. I knew Carol and Charlie were going to be moving to Moosehaven and I wanted to carry on their legacy. So, I worked really really hard to become Social Quarters Manager. It was their life, and I wanted it to be my life. I've been Social Quarters Manager for a little over a year now. When I retire, I can see myself working toward being an Administrator, continuing my journey."

On Wednesday nights we coaxed Tammy into starting to sing. "Oh my gosh yes, and now you can't take the microphone away from me. I love promoting the Lodge and its events. I ended up meeting everybody from Wednesday night at Rick's Show, and you guys all ended up being my family."

Tammy honors other commitments as well. She's been with State Farm for the last 30-plus years. "I am also very much involved with Almaden Neighborhood Church," she told me. She also volunteers as a Co-Advocate for Foster the City (fosterthecity.org). Their vision: "Every child in foster care
