## 2026 International Moose Convention Oklahoma City

**T**he 138th International Moose Convention will be held in Oklahoma City from June 30<sup>th</sup> to July 3<sup>rd</sup>, 2026.

Named one of the Best Places to Visit by Southern Living magazine, Oklahoma City, also known as OKC, offers all of the culture, cuisine, attractions and amenities you'd expect in a modern metropolis. And with its rugged Western past, working stockyards and title as "Horse Show Capital of the World," it's rich in cowboy culture, as well.

Merely blocks away from the convention center, Industrial-chic Bricktown is a lively entertainment district, with repurposed warehouse spaces home to restaurants, piano lounges and chic wine bars. Yet despite its vibrant nightlife, you cannot visit OKC without paying your respects at the Oklahoma City National Memorial & Museum, which honors the victims, survivors and rescuers of the 1995 bombing of the Alfred P. Murrah Federal Building. From family fun to historic sites to outdoor adventures you won't find anywhere else, Oklahoma City has plenty of hustle without all the hassle.

Registration and housing now open! To Register go to:  
<https://www.mooseintl.org/oklahoma-city-convention-registration/>

## Moose Legion

**W**hy should I consider joining the Moose Legion?

Membership with the Degree of Service offers you additional opportunities to serve childhood and old age and opens doors to you and your family for theme parties, sporting events, community service projects and other unique activities available only to members of the Moose Legion. Moose Legion celebrations are held at various Lodges within the jurisdiction of our Moose Legion and serve as a means to share ideas and enjoy good times with fellow Moose Legionnaires. Leadership skills may be developed through the Moose Legion Committee of your Lodge or within the Moose Legion jurisdiction.

## Administrator

I'm excited to introduce myself as your new Sunnyvale Moose Lodge Administrator. It's a privilege to step into this role and support a community built on fellowship, service, and shared traditions. I bring a strong commitment to organization, communication, and member engagement, and I'm looking forward to working closely with all of you to keep the lodge running smoothly while contributing to its positive impact not only for our lodge but our community.

My goal is to make our lodge a welcoming, well-managed space where members feel informed, involved, and valued. Whether it's improving events, streamlining operations, or simply being available to listen to your ideas, I'm here to help strengthen what makes our beautiful lodge special. I'm eager to meet each of you, learn from your experiences, and build on the great foundation already in place. All I ask is for your patience as I settle into my role.

## **In Appreciation**

**O**n behalf of Erika's family, I would like to extend our heartfelt thanks to everyone who contributed in her memory toward the purchase of a defibrillator for the Sunnyvale Moose Lodge 2049.

Erika Dobler

Erika was a longtime member who truly loved the Moose community. She was an avid dancer and attended the many functions that included dancing for many, many years. She was well known and loved by so many members and friends.

When Erika passed away in June 2025, her family and close friends felt it would be meaningful if memorial donations could help provide something lasting and beneficial for the Lodge. Thanks to President Eugene Bustichi for accepting our request. Because of the generosity of so many people, the Moose now has a defibrillator available. It is an important and potentially lifesaving piece of equipment, especially in a place where so many members gather and enjoy events together.

We are deeply grateful to everyone who donated and helped make this possible. Your kindness honors Erica's memory in a very meaningful way. We know that Erika would be happy knowing the Lodge she loved is safer now!

With sincere appreciation,

Josephine Pellegrini & Bob Campagna  
On behalf of Erika's family

On March 28 a CPR training was held at the lodge. Approximately 20 people attended the training that included learning hands-on skills practice.

school in 2002 and earned a 2-year degree in Multimedia from ITT. My animated capstone project featured my alter-ego, "Blanche the Singing Starfish" (Blanche is my middle name). As it happened, tech writing paid the bills, but writing, editing, and graphic design have been satisfying sidelines.

*Blanche the Singing Starfish*

*"How About Hobbies?"* I love arts and crafts and took up decorative tole painting as a happy outcome of attending a fundraising Bunco event at the Lodge. I also play flute and piccolo, currently with the Villages Concert Band and the Mountain View Adult School Orchestra. Singing karaoke is a joy and Dave and I are regulars, singing duets. I'm also continuing some writing projects as a member of the California Writers Club.

*"How did you join the Moose?"* In 2016 I and my second husband Jerry Uckele were going to the American Legion in Campbell to sing karaoke and met Bob and Kay Peterson, and Alan and Kathy Childs. We were welcomed to Sunnyvale Moose Lodge, sponsored by Bob and Kay. Both Jerry and I have been members since, though we're no longer married. The Moose continues to play an important part in my life, and I was happy to later enroll Dave Guglielmelli, and I know he enjoys it a lot too.

*"What is your favorite Moose activity?"* I've been copyediting for Kay on the Lodge newsletter for several years. I try to be extremely conscientious about changing our contributors' words. And with writing "MooseTracks," I strive to encourage our camaraderie with highlights of our very amazing members.

Who knows what comes next for me? Definitely to be continued...

## Youth Awareness Program

**T**he Moose International Youth Awareness Congress was held last week in Phoenix, AZ. Students from across the United States and Canada attended. The Sunnyvale Moose Lodge sponsored Kamal Haddad and he won the 3rd place scholarship for \$6,000. Two years ago, Kamal also won 3rd place, so he's beginning college with two scholarships.

There were six finalists from California this year. In addition to Kamal, there were two students from the Monterey Moose Lodge and three other California students. Alejandro Landon, sponsored by the Downey Moose Lodge in Southern California, won 5th place and \$4,000. We're so proud of each of them!

The students had a wonderful time at this well-chaperoned event. Besides competing to win scholarships up to \$12,000, they also enjoyed traveling, meeting students from many states, visiting new places and enjoying an amusement park in Phoenix.

Please contact me if you know a motivated student who is interested in participating this fall. Only one informational meeting is required and those begin in August at local Moose Lodges. The students' parents aren't required to be Moose Members.

## President's Message

Hello, all Sunnyvale Moose Members,

**A** little about myself. I have been a member of the lodge for 14 years, born in Canada, and I say that is why I wear shorts pretty much all year around. Some of you would say Santa Cruz Tuxedo. This next year there will be a lot of updates to the Lodges required by Moose International. Since moving to the new Lodge, Moose International has been watching us to be sure we are keeping with the Constitution and bylaws of Moose International and The Moose.

The new Board of Officers will be working together to bring more fun activities for our members. If you have any suggestions, we have a suggestion box you can place them in.

Thank you for being a member of our Lodge and without your support this Lodge would not be able to function.

Fraternally,

Lenoard Vyfyinkel

## MooseTracks...

Hello Moose Lodge. Today's topic: Tina Glasner, Your Roving Reporter"

**T**his time I asked my guy Dave Guglielmelli to do the interview. I hope you enjoy learning more about me.

*"Where have you lived?"* I was born in North Hollywood and grew up on 2-1/2 acres in Canoga Park, in the San Fernando Valley. My father was an electrical contractor and my mother a serious pianist, when she wasn't occupied with raising 5 kids. As my first job I sold corn, pumpkins and more at a fruit stand located on the Warner Ranch cornfields in Woodland Hills. We charged "a dollar a dozen," and I recall selling to Bud Abbott and James Arness! Our property had walnut trees, an old barn, and horses, and we took long trail rides in the hills when we weren't headed to Zuma beach. There are 20 townhomes on my childhood property now, but in our honor the private street is named "Glasner Lane." After college I have lived in various Bay Area towns, and my first husband Coy Farrell and I raised two sons, who have given me four grandchildren. Dave and I now live happily together in my San Jose home. With Dave I go to Giants games, travel, and enjoy both our families (Dave has 5 grandkids).

*"What about education and career?"* I'm a "late bloomer." At Pomona College in Claremont, California, I loved Botany, but finished in German. In my 30's I was steered towards Technical Writing, facilitated by our move from Santa Rosa to the Silicon Valley. I went back to
